*Marriages* today are constantly on the go. Many marriages suffer the outcome of simple neglect – chores are divided, bills are paid, children are raised, but somewhere in the midst the marriage is overshadowed. Married couples need a break from the demands of life to get away and focus on the things that really matter; each other. This is an invitation to you & your spouse for a weekend get-a-way designed to strengthen your marriage. We hope you will join us as we unveil God's intent for sustaining strong unions.
